The Glen Ridge Community Fund is still looking for sponsors for this year's Fitzgerald's 1928 Lager Run.

Letters have gone out to area businesses asking for financial support and already, the response has been excellent, said Ann Marie Morrow, co-president of the Community Fund.

"We've gotten commitments from the Boiling Springs Savings Bank in Watchung Plaza in Montclair, Nutley Chevrolet Buick and D'Alessandro Auto Center, to name just a few," Morrow said. "But we're always looking for more help, especially in these difficult financial times."

Donations will not only help the Community Fund produce a first class USATF-NJ race, but will also give much needed support to the agencies served by the Community Fund, including the recently formed Caring Community Alliance, which directly helps Glen Ridge residents with emergency needs.

Sponsorship levels for the June 28 race range from \$2,500 for a presenting sponsor to \$250 or less, said Morrow, who added that donors are entitled to complimentary race entries, the company name on the race t-shirts and more, depending on the amount given. All donations are tax-deductible.
