

# The Glen Ridge Community Fund is Proud to Present a Musical History Tour of American Pop with RockRoots plus Guest Magician Great Scott, Sunday January 23 at 1 & 4 PM. Order Your Tickets Today.

RockRoots - The History of American Pop Music is an award-winning four-piece band that has been entertaining and educating school and festival audiences with this unique, live celebration of the history of Rock and Roll. Dave Frye and his talented troupe of musical lads takes the audience on a historical, social and political tour of the American music scene from Robert Johnson's "Walk Blues" to a contemporary perspective on urban music.

The children join in the fun as they rock and reminisce to the music their parents and grandparents enjoyed when they were in school. For more info visit [www.rockroots.net](http://www.rockroots.net)

Magician Scott Drukker, a Montclair native, has been delighting audiences of all ages for over 20 years, and has performed on Late Night with David Letterman among other national and local venues. For more information visit Scott at [www.greatscott.tv](http://www.greatscott.tv)
