Dear Friends,

On behalf of Human Needs Food Pantry, Inc., I would like to thank you for your incredibly generous grant of \$5,000.00. Selfless contributions like yours help us to continue our mission of providing for people in need. We are serving more people than ever before in our history, so your generosity is both timely and deeply appreciated. We are keeping up with it but that is only possible because of thoughtful contributions from people like you.

Since our organization began 40 years ago, our mission has been to provide food and clothing to people who fall under the federal poverty level. Over the years we have grown to providing a wide variety of things including diapers, wipes, personal products, nutritional supplements and more. We also provide regular medical screenings, vaccination clinics and delivery to homebound people.

Again, we thank you for your support and helping us succeed in our mission. We wish you and yours a healthy, happy holiday season filled with joy and peace.

Sincerely,

Mike Bruno
